NJ Long Term Care Planning

PREPARING FOR A LOVED ONE'S LONG-TERM CARE IS SIMILAR TO PREPARING A FOOTBALL TEAM FOR AN UPCOMING GAME.

EACH FAMILY MEMBER MUST BE A "TEAM PLAYER" AND EACH FAMILY MEMBER MUST SHARE THE SAME VISION.

Or, in the words of Kansas City Chiefs (and former New York Jets) Coach, Herman Edwards:

PREPARATION: "The ability of everyone on the team to understand what it is going to take to win the game. Everyone has to understand that vision. Everyone has to understand their role, and everyone has to know how important their role is to winning the game.

When everyone understands what it takes to get it done, that's when you are prepared. It takes everyone. Every player, every coach, every person – it takes all of us. And we all have to see the same vision".

Our office helps people find the type of long-term care they deserve, while preserving their assets within the context of the law. We are available for in-house workshops, for your staff, on the subject of long-term care planning.

James E. De Martino is licensed to practice in the State of New Jersey.

Our practice is limited to estate planning, long-term care planning, and NJ Medicaid asset protection.
